“ I always greatly admired Gertrude (Gertie) for her kindness, sweetness, ready smile and for her Christian behavior and beliefs. When her husband, Pat, died, when I was about nine years ago, I was grief-stricken for a long time. That was such a tragedy. In spite of losing the love of her life, Gertrude (as I knew her called) rebuilt her life and carried on, continuing to inspire those who knew her. I last saw her in the nursing home less than a year ago. She was her same sweet self, in spite of being pretty much bed-ridden. May her soul rest in peace. I hope to see her in Heaven some day.

“ Everyone should be so blessed to have an Aunt Gertie in their life. She was a second Mom to all of us. From endless hours of swimming and cooking lessons, and teaching us the secrets of gardening and the importance of doing for others. Always in Mass every Sunday and a smile for everyone. Love and prayers to Gertie!

“ I was so sad to hear of Gertie's passing. Such a wonderful and delightful beautiful lady. It was such a pleasure to have known her for so many years -- a true blessing here on earth. I know those sparkling eyes are shining bright in heaven above. She will truly be missed by many.

“Gertie and My Aunt Jerry Hudgins were the best of friends and graduated together from High School. They were in a coffee group at Boothe Drug for many years and ate breakfast every Sat. morning at the Cozy. She was the classic lady and always had a beautiful smile. She loved her church, family and friends. I am praying for comfort for her family but rejoicing in her new life." Guyla Talley

“Thanking God for Gertie and her beautiful life on this earth. Our memories of her always include a great, big smile! Wonderful Pink Lady at Elkview. Always there when the church doors were open. Beautiful flowers she grew in her yard. Grateful she was a good friend and lift each of you family members up in prayer. Sharing your sorrow of her passing but rejoicing in her new life!!
