“ My sincere condolences on the loss of your loved one. I grew up in Keota so everyone knew everyone. I remember her playing basketball, being a cheerleader, she was always a hard worker and very thoughtful.

“ So saddened by Sherri's passing. She was such a loving mother, grandmother and great-grandmother! Family was everything to her! She's probably already reading the cookbooks of her ancestors right now! I enjoyed spending time with her and was so glad I could call her my dear friend! Thinking of each of you and keeping you in prayer.

My sympathies to each of you that she loved so much. She was so proud of you and your families, those grandchildren and the great grands were a high topic of conversation. I love her too, went to Keota Schools with her, played ball, cheerleader, danced and even played paperdolls together. So sorry, I know you will miss her very much. Not able to attend her funeral or visit you guys bu am thinking and praying for you. God bless..

The Apostle Paul admonished, “Be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity.”<sup>3</sup> He also wrote that the followers of Christ should be “as lights in the world.”<sup>4</sup> Providing an example of righteousness can help to illuminate an increasingly dark world. Sherri was a light in many lives.

Sherri and I was very close friends in school and she was a super nice person. She brought happiness into my life and all that knew her. i am sad this day but know she will find her way back to her HEAVENLY FATHER. I pray peace for the families and friends.

“ One of my first friends as a very young girl. Spent many of weekends at her place or mine. Even though we were not related we shared some first cousins. Her Fathers sister and my Mothers brother were husband and wife. Loved her very much, last time we visited was when she and I lived in San Jose Calif. Long time no see but visited on face book a lot. Love you Sherri.
