for the family:

In this lifetime we don't know when our end comes. "I have seen something further under the sun, that the swift do not always win the race, nor do the mighty win the battle, nor do the wise always have the food, nor do the intelligent always have the riches, nor do those with knowledge always have success, because time and unexpected events overtake them all."(Ecc.9:11) This reminds us the death our loved ones isn't our fault. Things just happen to good people. Sorry for your loss.
