“ *Max and all family members. Wish I could be there, but can't. But my thoughts are with you today. God be with you. Here is something I have kept for years. It has some wonderful thoughts.*

“It's time to move to another shore, I've lived, I've loved, I've laughed and more. And now I'm going ahead to wait, to see you again at Heaven's gate.

So many rich gifts God has given me here; a family so loving, so good and dear. And yet long ago I started to plan, for moving on to God's wonderful land.

To leave this world of trouble behind, this journey is one that's been on my mind. I leave behind me so many I love, please tell me you'll try to meet me above.

Don't think of our parting as a time of great sorrow, think instead of the joy of meeting tomorrow. I've gone on to wait for my Savior's call, our reunion in Heaven will be best of all!

Max and family, words are inadequate to express our feelings at this time. Please know you are in our thoughts and our prayer is that God will renew the memories for you to cherish in days and years to come. May He also grant you comfort.

“ Barbara was a beautiful mother and there when I needed that most in my life. She raised a wonderful family and I know she is making heaven a more beautiful place. Sending my love to my sister Casii and her family and the girls and theirs as well. Safe travels as you bring her home.
