“ *I remember my first realization years ago that I might lose you, mom. I was faced with an identity issue, I'd no longer be anybody's little girl. I will always be your little girl, mom. And you will always be my beautiful mother. So beautiful and so unconcerned with your beauty. I love you mom. I miss you so much.*

“ *She will be missed but never forgotten. I loved her like a mom, she took me under her wing and taught me so much. I told her, "it's amazing what you learn going through 8th grade English again, at the age of 23....lol I worked at Millsap School as her aide in 1990-2000. She also taught my kids in school. Not only was she the best teacher, she was a wonderful friend, she became family to me and my kids. She holds a very special place in our hearts. Bill, Carmen, Roman, Daman, y'all are in my thoughts and prayers.*
