“ *We lived in Mangum, OK until I was about five when we moved to OR then CA. Sue, Snooks, and I often played together back then. Being older now I realize Sue was being extra nice to me since she was an "older" person than I was then. Whenever we visited Mangum after that I always felt welcomed by her and Snooks, like I'd never actually moved from there. As an adult with my own child the few times we were able to visit felt the same. She always welcomes us and let us feel at home. Miss you Cousin Sue.*

“ *When we went to Mangum to visit, Sue always had a private bedroom ready for me. She felt that at my age I deserved privacy, she said. I wondered if the kids told her how loudly I snore. The bedroom was way away from all the others. Seriously though, Sue was always thoughtful and served food she knew I would like. She always planned a trip to Altus because she knew it brought back memories and she loved to hear stories, or at least she pretended that she did. Her kindness will be forever appreciated.*

“ Sue will always have a special place in my heart. She was a loving person. I loved watching her and Ken cooking in the kitchen. My favorite memories of them. Give Aunt Florence and Ken a big hug. Love you and miss you Sue.
