“ Miss Bobbie Daniels was a great lady and so fun to be with. She helped me a great deal with the book I'm writing. She always made me laugh. I didn't know her long, but she was a good friend. I sure wish I could have seen her again.

“ *Aunt Bobbie was the youngest of my Mom's brother and sisters. She was always so fun to be around and easy to talk to. I'll miss our conversations. We're sad because of our loss but her new home in heaven is amazing. She'll be with our Lord and all her loved ones that got there ahead of her. She'll be missed by everyone who knew her. I love you Aunt Bobbie:*

“ Although you never got to wear it the way you eyes lit up when I gave it to you will always last in my mind... I don't know how to say goodbye to one of the 2 women that have made the biggest impact on my life Your my grandmother but was always like my mom you are and always will be my best friend so I say I was blessed with the most wonderful loving grandmother that always stepped in to play the role of mother when my beautiful mother needed a helping hand. I hope someday my grandbabies will feel the exact same way about me as I do you i will never let go but with a heavy heavy heart proclaim today until we meet someday again I will forever love and miss you my beautiful beautiful grandmother angel and friend. I love you bunches forever and always no matter what life brings.....
