November 6, 2000 - September 21, 2022

Brayden 'Bray-Brat' Hudson was born and raised in Oklahoma City, Oklahoma November 6th, 2000, to Cynthia Moore and Patrick Hudson.

Brayden lived life to the fullest, you can always find him on top of buildings taking pictures of the sky. He was an active and inquisitive young man.

As a child, Brayden was known to be goofy & caring. He was known to put a smile on everyone's face and was ready for an adventure. Some adventures he had done were hosting car shows, parkour, scuba diving, swimming with sharks while in a cage, sky diving, flying a small plane, jumping off the stratosphere, and traveling with his ma. He was involved in Moore Misfits and 405 Riders. Brayden was a gun enthusiast, nature lover, he enjoyed hiking, setting off fireworks, photography was a gift of his and he loved pizza. Forrest Gump was his favorite movie and green was his favorite color. He loved taking Winchester to dog parks and visiting friend's houses.

Brayden graduated in 2020 from Moore High School. He also studied at Moore Norman Tech Center to be an EMT. He was truly a jack of all trades, and it was his love for water that made him want to join the Navy. He enlisted in the Navy and had plans to start the boot camp in November 2022.

But Brayden's life was tragically stolen during a motorcycle accident on Wednesday, September 21, 2022. His memory will be cherished by his mother, Cynthia Moore, Winchester and a host of family members and friends. A family directed memorial service is scheduled Thursday, November 3, 2022, 6:30 P.M. at the Fresh Start Community Church located at 309 N. Eastern
