“ *I didn't know of Byron's passing until today, which is over two years after. But I want you to know that I especially enjoyed his friendship, and appreciated his assistance when I had health issues that prevented me from working with heavy items. One of the things he did was build a ramp that allowed me to get a forklift in and out of the theatre building. My belated sympathy is with all of you.*

Your mother, Louise, was also a kind soul, and my sympathy is with you over her passing.

“ *So sorry to hear of Byron's passing. We made many memories way back at that ole Flight Service Station in Hobart. He was always so proud of his family and their achievements during all these years. Everyone will miss his wit and humor. My thoughts and prayers are with you all. Rest in Peace Boss.
