“ Candy shared an apartment with three Hobart girls in Weatherford in 1969. She had a big smile and great personality. I was one of those girls. I'm glad to see that she has had a good life with a loving family. My condolences to her family. Candy, rest in peace.

“ It has been very easily 18 years since I last saw and visited with Candy, Larry and Tyler but that has never muted many many years before of awesome times, great visits, rattlesnake derby's in Mangum and dinners out in OKC. A long friendship lost by means out of everyone's control but over the years I have found myself reliving those memories, wondering and even google searching from time to time...even very recently. I have AirBnB's in OKC and recently hosted a wonderful family the Huckabay's I noticed from Magnum. A mere mention to Michelle that I knew the Gable's was the link after all these years and the kindness of Michelle to reach out to me today with this news. I wish to share, even with the absence of so much time since, Candy Gable was special, kind, fun, devoted, a hard worker, a wonderful daughter, daughter in law, wife, mother and friend! My prayer is peace for her, Larry, Tyler, all family and friends. I am grateful to have known her and she will forever hold a special memory in my heart. Rob Littlefield Oklahoma City
