“ *Carl supervises my son at the Sheltered Workshop (Southwest Enterprise) for the last 2 years. Mike loved him so much and will be lost without him. He had the patience of a saint and we will always remember Carl for the goodness he showed Mike.*

“ *Carl was my uncle and I have many memories of him. I grew up with Jeremy and Kevin and Uncle Carlos has always been there. I am sorry that I'm unable to be there for my cousins, my Mom and the rest of the family. They will not be far from my thoughts.*

I have know Carl for 30 years or so. We used to see each other at gun shows in N. Texas and Oklahoma from time to time. It was always a pleasure to stop and visit with him. Most recently Carl served as a mentor to my special needs son at Southwest Enterprises. Michael thought the world of Carl and he was with him the day Carl departed us and headed home. Thanks Carl for the giving of yourself to these special kids and prayers and blessings to the family!
