“ *LuFern, Danny & Mark - I am so sorry to learn of Dan's passing. I have thought of you all over the years. Just shared in sunday school recently, that it was because of your invitation to the Keystone Class that our family was still members after all these years. In fact Brad was in your classroom at Sunnyside School at the time and best buddies with Danny. Those were great years we shared with you & Dan. The wonderful, beautiful memories will live on in our hearts. Peace be with you dear friends.*
