“ *Darrell has been a part of my life for 25 years. He made me laugh, cry and made me mad lots of times throughout the years but mostly he was my forever friend. I always knew I had a big shoulder to lean on when I needed it. He had a big heart but you had to know him well to see it. He loved his family and friends but Kyle, you were his favorite person in the world. He was so proud of you. My thoughts are with you and your family. May God bless you.*

“ I had the privilege of working with Darrell while working at OSR from 2000 through 2003. As most know Darrell was very detailed in any job or event he took on. You never had to tell him there was visitors or auditors coming. His warehouse was always in order and ready. I always enjoyed fishing with Darrell or a day trip to look for some special need. He enjoyed working on his antiques and enjoyed showing them to you when they were restored. I think the one he treasured most was his homemade ice cream maker. Early last fall when I was at his house he told me that if he made a full batch of ice cream with it he was pretty sure it would cost \$90 for five gallons. May he Rest In Peace. He will be missed. Prayers to Kyle and the rest of the family.
