“ *My dads last gift to me was his fishing pole. Which I will treasure. You see, one of my early memories was getting to go fishing with “the boys” one Saturday. Somehow I was able to hook my dad directly in the lip. Thinking about it now, I realize how impressive that was. I mean that can’t be easy and I got it first try. Let’s just say he wasn’t very happy about it and I was never asked to go fishing again. So when he gave me the fishing pole I asked if this means he forgives me.*

*I love you dad and would give anything to fish with you again:)*

“ I am so sorry to hear about David's passing. He gave me my first job at United in highschool. I loved working with him and still use some of his interview techniques when I talk to potential new employees.

“ I'm missing my little brother so much right now. There's so much I needed to say to him but God just saw it differently and he was ready for him to come home. Rest In Peace David Bourland! I will always love you. Your sis just a little older than you. Donna
