“ *I only met Ms. Debraha once when I met the whole family on Christmas day, but I could see all the love her family had for her and I was so honored to have been there to capture these memories. Debraha I know the kids and grandkids are going to miss you like crazy but your love will get them through this and they know you are no longer suffering. Thank you for allowing me to come into your life and for touching my heart. Mel I love you all and I am here for you all...*
