“ *Deidra, we hadn't spoke to each other in years, but my memories of you never faded. During the time I spent in Hobart, we danced to Grease, annoyed your sisters, ate spaghetti O's, drew horse comics, and I could never beat you in math quizzes! I also could never imagine a birthday party without you. I am sorry I could not have seen you one last time. I will always love you and remember you as the amazing friend to me you were. I pray for your family and loved ones to find strength and peace.*
