

Dessie Roberta Meier

March 20, 1919 - July 14, 2017

Dessie Roberta Meier passed from this life on July 14, 2017 at her home at age 98. Dessie was born on March 20, 1919 in Bessie, Oklahoma to Buel Allen and Edna (Watson) Allen. One of twelve children she grew up and resided all of her life in Bessie. She was a wife and partner to Gilbert in the farming operation, Sunday school teacher both at Bessie and Burns Flat, taught upholstery at the Vo-Tech in Burns Flat and her upholstery shop was proudly located in the chicken house. Dessie was very active in the Home Demonstration Club; she received her 50 year pin. Dessie's club was "The Better Neighbors" and yes she was a great neighbor to have. She loved to garden, entertain and cook. Dessie was the most remarkable cook. When her hands touched dough something magical happened, (she made the best cinnamon rolls ever), but the most important thing to Dessie was her relationship with God. She taught Sunday School classes from the age of 16 to 95!

Dessie is survived by her two sons Montell Meier and wife Patti of Paris, Texas and Bobby Meier of Bessie, daughters Louisa Ann Loper of Chandler, Oklahoma and Patricia Rowe and husband Larry of Choctaw, Oklahoma. She leaves a legacy of five grandchildren Sherri Newport, Michael Loper, Mace Meier, Karri Lockhart and Darrell Rowe, twelve great-grandchildren, five great-great grandchildren and a host of other relatives and friends.

Dessie was preceded in death by her husband Gilbert, her parents, son-in-law Ray Loper and all of her brothers and sisters.

Graveside Services for Dessie are scheduled for Tuesday, July 18, 2017, 11:00 A.M., at Union Hatchett Cemetery. On-line condolences can be made for Dessie by visiting www.peoplescooperatifuneralhome.com

“ *One of my most favorites memories was going to my Aunt Bobbie's in the summer. We played and ate like kings and she always had a smile and a hug for me no matter what. Well except for the time we used all her canning jars to trap tarantulas think I got the paddle then!!*

I may not have been around as much as I should have but life does that you have kids and then grandkids, 11 but who is counting, she will always and forever be one of my most favorite people I know. I thank her for the love, smiles and all the wonderful stories.

Love you and big love to my cousins!!
