“ To the Jackson family, We are so sorry for your loss of Donnie. My family will keep all of you in our prayers and hope God will give you comfort. All though we have only met Donnie only a few times he always left a smile on our face and laughter in our hearts. We would consider Donnie a friend of the family. We will truly miss him. He was much too young to leave but we know that he is in a much better place now. Till the next time we meet friend, Rest easy and keep a watchful eye over the rest of us down here.

*With our deepest sympathy,
