“ *My heart goes out to Donna's family and friends. We were sister-in-law's in the late 70's and early 80's and she was very dear to me. I will miss hearing from her every now and then on messenger. She was a wonderful mom who loved her children dearly. My thoughts and prayers are with the family. RIP dear friend.* 🙏❤️🙏

“ Where to begin....Donna was a very special friend. We met while living next door to each other in Lawton ,Oklahoma. We grew very close. Our children played together, she taught us how to two-step. We stayed in touch all these years. When we did talk to each other we spent hours talking well into the night. She visited us here in Michigan once and we had such a great time. I will miss her, even if we didn't get to spend time together. She was so beautiful. May she be at rest and free from the pain of this earth.
