“ *Every home video I've watched from my childhood, you seem to be in it, Nana. You were always there for me, even in the end when you could hardly remember my name. You lead a fantastic life, so let's celebrate that*

*Nature's first green is gold
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day
Nothing gold can stay.*

*Perhaps God is a poet
Who writes with words of flesh and bone and leaf and flower.
Every hour of every day,
Words pour out of the poet's heart,
And every word is beautiful and true and worth telling.
And when each poem is perfect,
And there is no more which ought to be said,
The poet gently takes the words
Back into his heart, where they are safe forever...
And then begins again.*
