“ *Duane and Sharon introduced Anna and me to each other, 35 years ago this month. One of the songs Duane taught me as we played guitars together was "Mansion Over the Hilltop," so I know he's enjoying his mansion and the music now. I have lots of great memories of the years we taught at Mangum Schools, and the drives he, John Schaufele and I made from Lone Wolf to Mangum and back. I look forward to seeing him again. Sharon, blessings to you and the girls, as you get used to living without his physical presence.*

“ I remember like yesterday the night in 1970 when Duane and Sharon were dating and gave me a ride in his Mustang. Sharon was a Senior at RHS and all the guys from Cooperton were not going to let her marry just anybody. Duane was top notch and had the blessing of all. They lived a wonderful life and created an exemplary family. I'll miss you dear friend, but I know where you are and it certainly is far better than here. Love to Sharon and kids.

“ *So sorry for your loss. I know Duane will be missed by your sweet family. prayers for all of you. He was one of the kindest people I have ever known. Lone Wolf will miss him as a community also. If he saw us out and about, usually the One Stop (CJ's), he always came over and visited, even the last time we saw him. He struggled to speak, but came over anyway. Such an inspiration to so many. So very sorry. I know he is with his heavenly father.*

*I am late with this. I remember Duane on wheat harvest when I was in High School had a lot of fun times. Then he used to try and get me not to play on Friday Night football when he was coaching for Mangum. Was a fun guy. Danny Parnell*
