“ *Everett Barrett was my father, but in name only. I'm Paul Barrett. His third child. He never cared much for fathering. Once he remarried Rose Warner, who hated both Gary Barrett and I, he immediately left the country on TDY with the Air Force which he volunteered for, and left us with a total stranger. She blamed Gary and die for her messed up marriage and for I am leaving on TDY. She blamed children for their misgivings. My last four years with them was a living hell. It took me years many years to get over the mental and physical abuse now I'm an old man myself 58 but out of nowhere memories return occasionally. Some people might say that it is childish for me and my sisters to speak now but after 48 years it's time it's time for the world to know what a horrible horrible parents they were. You are were the lord wishes you to be.*

“ My sympathies to his 4 children, Gary Allen Barrett, Connie Marie Barrett Braun, Paul Anthony Barrett and Wendy Ann Barrett Leslie. Through his absence for the last 45 plus years there has been much heartache. But through the heartache strength endured. All his children are successful and educated. Their mother Maureen Claxton loved all of her children till her passing on 1/30/2019. She raised them without any support from Everett. Many attempts were made by his children to reconnect. But his wife Rose didn't want that.
