“ I worked with Gary at UC Lending in the late 90's and we played golf together some. Lost track of him and he recognized me at Lincoln Park Golf Course where he was working. We played golf together quite a bit over the last year and a half. So sorry about his passing. I will miss my golf buddy and friend.

“ I met Gary at Lincoln Park Golf Course. We became golf buddies and played many matches together mostly on Tuesdays. We played all the way up until he was unable too. Going to miss you buddy. RIP.

Gary was one of the nicest guys I knew at Blair School. He was always a gentleman and I never heard him say an unkind word about anybody anyone. He graduated in 1965 and I never heard from him again. I'm happy to hear he had a good life.

*Gary was a great friend. Spent lots of time with him and Eddie Williams on the golf course--- a fair amount of time at the pool hall in Altus--- Lost touch with him after graduation in 1965. My sentiments to his family.*

*Gary was a co worker at Lincoln Park golf course. He was a truly amazing person and full of the most interesting trivia. I have missed him since I left OKC and hope he is now of the course with the greats he always quizzed me about. RIP Oh Gary*
