“ Alicia, so sorry about the loss of your Mom. I know you loved her dearly, as we all did. She was such a joy...but now is in the arms of the almighty God. May the Lord Jesus give you the strength you need.

“ *Gayla was one of my best friends. God blessed me when he brought us together in friendship over 30 years ago. I have so many treasured memories. We lost touch over the years but she had found me on FB. It was as if we had never lost touch. I was so grateful to have her back in my life we were looking forward to be able to plan to get together in the near future and make new memories and laugh of old times. My heart is so heavy with the loss of a great friend. She will always be in my thoughts and heart. Jayson I remember when you were born, you brought so much love into your mothers life. She loved you and your sister so much and know she would want me to tell you to stay strong and lean on God. Hold on to the comfort that your mom is in no more pain and is in our Gods loving arms. Please contact me if there is anything I can do for you guys. Love you always and forever Gayla!*

*With love*
