“ *Glenna has been a big part of the Granite High School class of 1954 celebrations. Her husband, Josh, was our class President and Glenna always helped with making our events special. Also, she helped serve the wedding cake at my wedding reception and she and Josh came to visit us in New Mexico. Always, we had fun together and I have wonderful memories of our times together.*

I have fond memories of Glenna, Josh, and Wanda and the many card games we played. Sometimes our crowd would get very noisy! Good-bye to dear cousin!
