“ *Gracie grew up on a farm not far from where I grew Up North of Lone Wolf. We rode the same school bus for at least 4 years together .. She was A beautiful girl. After we graduated we went separate paths and I lost connection with the family. It was War Time, bad for all about that time. We all had to pitch in with the farm work and some of us had no chance to further our education. But We survived and most lived happy lives. A beautiful Obituary, Gracie. Condolences to your family. I am the only one left in our family of 4 children. Heartfelt sympathy to all.... Ida Lou (Koebelen) Melot. Oklahoma City, OK*
