“ *I went to Lone Wolf School. Although Harold was a couple years ahead of me. My family and I lived down the road. Every time I drive down Highway 9, I remember Harold and his wonderful and kind family. My most sincere condolences to all his family. I know he will be sorely missed by all. May God give you peace and solace from all the good memories. Sincerely, Jeannie Walker*

“ Uncle Harold told me at lunch during harvest one year that I shouldn't draw on the sandwiches. I had written everyones name on the baggie and he was teasing me the city girl. Love you much Uncle Harold.
