“ Pete was a special guy and a very good friend. We were school mates for years and our friendship continued throughout our lives even though we were separated by miles. When I was stationed at White Sands Proving Ground he was stationed at Fort Bliss so we had some time to get together. Jackie and I baked a turkey (our first) and made dressing and Pete and a buddy joined us for Thanksgiving dinner. The turkey was good, but the dressing was horrible, but Pete just smiled and ate it. That's the kind of guy he was - happy and not a complainer. He was the kind of friend that you treasured, and will be missed. Tom Pickering
