“ To Jack's family, My heart is so saddened by the death of this wonderful man. I loved him from the moment I met him. The first time I met him was when Michelle was very sick and in the hospital ER. There was no way she could drive home. I stayed with her until Jack got there. After we got her in the car he turned around and said "If she gets to feeling better in a little while I'll bring her back to work!" And he was such a hoot at Michelle and Molly weddings. I'll never forget at Michelle's wedding that he told me to go over and flip a switch to turn the lights down in the church knowing that it was the Sunday School bell. I think I actually melted into the floor and he was laughing so hard. I know that you all will miss him so much. If there is anything I can do, please let me know. I am so sorry that I missed the service. Please give my love to all and I will definitely have you in my prayers. Love always...Kay and David.
