“ You were one of the best nurses I ever worked with at the Clinton VA. Always knew it was going to be a fun night full of laughs when we were scheduled together. You always had a smile on your face as we walked into a residents room, even on days when you weren't feeling well. You were so proud of your children and grandchildren and I'm so glad you had found Dale and had that extra bit of happiness in your life. You will be missed so much, memories live on. Rest in Peace my sweet friend, until we meet again, Fly High. Condolences to her family, her fiance Dale, and friends.

“ Janet will be greatly missed throughout our family. She took care of our mother and brother in the United Methodist Living Center in Clinton. She was always so sweet, caring & gracious to our family. Janet would even make sure that my dad was taken care of when he would go to visit them.

There are tears of grief here on earth for her but we know that there were open arms and tears of happiness in Heaven that greeted her especially from our recently departed mother & father.

With our deepest sympathy & love,  
Donna, Ricky & Allen Elkins  
As well as the recently belated  
Carol & Eleanor Elkins That LOVED HER!

“ *Janet Rice Ellis and I shared fun and had many laughs together at Granite High School in the 80's. Our time in Deanna Reeves' home ec class was particular fun. I will look back on our escapades in Home Ec as we joked we were Julia Childs and said Bon Appetite alot with love. Janet was always smiling and laughing. What joy she brought to many of us. We love you Janet and will miss you.*
