“ I cannot remember a time a time in my life when Ms. Janice wasn't in it. I will always treasure the time she spent in our church nursery, especially when my son was a baby/toddler. To her, it wasn't just a place to fill in, but a ministry, sharing her grandmother love with so many. I will miss your smile, style, and spunkiness!!!

I have been waiting to hear from Janice. I texted her last and then never heard again. Frankly I am in shock. We were very close friends in high school. Had begun to suspect something was wrong after weeks went by and I didn't hear back from her. My heart is broken. How will life be without my friend Janice. Oh Jan, I love you so much and forever....and your family has always been very special to me. Am having trouble breathing as I just found this. My dear, dear best friend.
