“ *I enjoyed talking to Janis at the nursing home. She was always concerned about how my mom was doing, and I know she really cared. She will be missed by many.*

“ *Janis was one of the prettiest teen age girls in Lone Wolf. I knew her mother and also Jesse, her husband, as well as all the other Wald Family. I moved from Lone Wolf in 1951 and lost contact for years. As I read her Obit, It brings me back to some of my fondest memories of Such A beautiful family and A great time in our lives. My Prayers to all, She will be missed by all who knew her. God Bless.....Ida Lou (Koebelen) Melot, Oklahoma City. OK.*

“ *Janis was the living definition of a great mother. I remember one of the last times she came to my office to work on Wald Properties your mom started giving me a run down on all of her family, children and grandchildren. Then she ask all about my family. By the time we got through accounting for all members of both of our families we laughed about how long it took to cover all members of our family. She got up and went home. About an hour later my secretary came in to get some papers I had called Janis to come sign. We got so involved in our conversation and had such a great time sharing about the families I had forgot to have her sign the papers and I had to call her and get her to come back to sign them. We decided we better not discuss family next time or we would never get anything done. Your mom knew how to care and love and what was really important in life. I treasure the times we visited and the lessons she taught me about family. They were important and she made a lasting impact on me. Sherie, Tim, Barbara and Rod you were truly blessed to have the parents you had. Our prayers are with your families and her impact on your families will be present for generations. I just tonight found out about Janice passing. I bought her house in lone wolf when they moved to Hobart. She was the cleanest housekeeper I had ever known and I learned a great deal from her. I spent a lot of time growing up in the wald house and I learned all about boys at that house. We would fry chicken and make crumbs(the best ever) I'll say too. Always looved that family. Prayers for all the family during this time. Donna Bourland Boone
