“ *I am so sorry to read of Jerry's death. My condolences to his family and friends. I wish I could tell Jerry in person that the model Belarus tractor that he gave me many years ago is still on a shelf in my office...complete with the original box. I see it every day, and it always reminds me of Jerry.*

Every time I look at the tractor model, I am also reminded of the great respect that I have for his parents, Bill and Catherine.

All the best to all of Jerry's family and his friends.
