“ *Family....50 some-odd years of knowing eachother. Us kids all spent COUNTLESS hours running back and forth around the block to eachothers houses, just being kids, and having good old-fashioned fun. Daddy was a good man and he loved all of yall. Even when I was a young kid, I saw how he worked hard to take care of his family. I know yalls hearts are hurting that Daddy left this Earth behind and there are no words that me or anyone can say to heal yalls hearts. So I'll just say that I love you all so much, I ask our God to comfort yall, and I pray for yall always.*

I remember him well. His son, Buddy, and run together while we were in school. Very hard working man but yet a gentle soul. Prayers for the family.
