

Joseph "Joe" Dee Snow

January 25, 1977 - June 27, 2018

Joseph "Joe" Dee Snow passed from this life on June 27, 2018 in Hobart after a brief battle with cancer at age 41. Joe was born on January 25, 1977 to Howard Neal and Glenda Bush. Weeks later his grandmother Betty Snow and grandfather Roy Snow, began raising Joe and later adopted him. Joe attended Granite Schools and graduated from Granite High School in 1996. Joe never met a stranger and was friends to everyone he met. He loved trucks and dreamed of owning and driving his own. He enjoyed going to truck stops which was his favorite eating places as well. Many truckers over the years gave him rides in their trucks or even let him sit in the truck and make it honk. Some of these were set up in advance and some were spur of the moment, where Joe went up to the strangers house and asked about their truck. Those were treasured memories to Joe who took on the nickname of "Snowman" imitating a CB handle. He enjoyed watching trucker movies or westerns on TV but if asked what he wanted to watch he would say "Anything". He loved country music and always sang along, he especially loved trucker songs. Joe's favorite football team was the San Francisco '49ers but he still was an avid OU fan. Joe has been in Hobart Searchlight for the past 18 years. His smile and loving ways will be deeply missed.

Joe is survived by many cousins and friends. He was preceded in death by his parents and brother Roy Preston Snow.

“ Joe rode to work with me for a good period of time when he first came to Searchlight. He had an enlightening way of solving problems. We got angry at each other many times, and laughed about it on the way home every time. I will miss this young man. He was a wonderful human being. And he beat me at pool.
