“ You passed on September 28, 2014, and today it is July 1, 2021. Time goes by so quickly, but not a day goes by that my heart doesn't hurt to see you. I miss you so much. Sometimes I think I smell the bread cooking that you made when we were little. You worked hard your entire life to make sure we had what we needed. I wish I could have one more day with you. Until we meet again, I will keep your memory alive. I love and miss you. Mariana

“ We were privileged to meet Joy Verga 23 years ago! She was not only visually beautiful (hence her gorgeous family), but had a beautiful spirit and was always fun to be with. Her smile was infectious and she loved to dance the Jitterbug! She will be missed by many friends and family, including Klara & Dick Conway, Broken Arrow, OK and our children, Lori and Justin!

“ Although I only knew you and Dad a few short years, they are ones I will remember and cherish always. I loved you as much as my own mother and was fortunate enough to have two. Say Hi! to Dad.

You will always be in my heart.

Your son,

Sam

“ Joy,
Joy gave me my first hair cut. I will always remember her as a talented, beautiful lady. I recall seeing her dressed up to go somewhere "fancy". She was absolutely beautiful. To me, she always looked beautiful. Her 3 daughters are also beautiful and will miss her dearly. We will all miss her. She can visit with my mom now:) Love you Joy, Barbara (Phillips) Garrett

“ *Mother:*

I will miss all of the evenings we spent together these past few years. I could always expect a call from you about 3:30 PM to see if my work would allow me to have dinner with you that evening. There weren't very many evenings I didn't make it. I am so glad we spent that time together. You would always greet me with outstretched arms when I arrived, and always walked me to the door with hugs and kisses. You never wanted me to leave.

I even miss all of the doctors visits. It wasn't easy to watch you decline, but I never wanted to miss the opportunity to spend a little more time with you.

Thank you for all the dresses you made me, the number of times you cut my hair and the many meals you cooked for us all.

Bless your heart and may you rest in peace. I am sure you are teaching everyone in heaven how to jitterbug. Until we meet again in heaven, I will miss you.

Love your daughter, Mariana Lynn Verga Lloyd

Your Mother, Joy, beautiful Lady in so many ways passing.....it brings back instantly the memories when my Mother died at the young age of 51.....gone, but these Mothers who were loved so much, will always be in our hearts and never to be forgotten. Coincidentally, our Mothers went to school in the same area of Oklahoma at the same time. May the peace that passes all understanding from the Lord secure and console your Family in this time of mourning.... Hugs and Love, Sherry Obremski xo
