“ Gordon, Gail & Terri; so sorry for your loss, your wife and mother was a very special friend to me! Enjoyed getting to know her when we worked at the fabric store, she was a great seamstress all ways making something. I loved the little dresses she was making when she was in the nursing home while my Mom was there. Enjoyed visiting with her each time I was there, until my Mom passed. God be with each of you during this terrible loss. Love you all Joyce VanDerPol
