“ *We're so sorry for your loss. Thinking of you all and keeping each of you in prayer.. David and Galeen Chain*

“ *My heart is both happy that he is not suffering anymore, and sad because he will be missed dearly. Sitting with him at breakfast and listening to him share stories about growing up with my mom and dad were some of the most special times. I absolutely loved his story about going to "Leland and Marie's house" because my mom always had a cake for them to eat. Only she pulled one on them and iced a "cotton seed cake" and let them take a big bite before she brought out the real one. I think he took the first bite! I will miss him being a part of the routines I have always found comforting. To all of the family, you are in our heart and prayers. Know that you were loved and that you will remember him in all the happy memories of the times you have had together. Much love. David and Kay Stewart*

I will truly miss him !! He was a great friend and a forgiving man. We had one difference of opinion and quickly forgave each other. I so respected him. Truly a best friend. No one to pick on now (turn his hat around & etc.) And no one to say " get back in the kitchen where u belong " Prayers for Helen and family.
