“ *LaDonna and I rode the Granite school bus from our country homes in Willow for about 5 or so years. She was always so kind and friendly towards me (and others) even though she was a grade ahead of me.*

I reconnected with her in later years when she was working at the VA Center and my Dad went there. Her many kindnesses towards my family really meant a lot. I am thankful for the difference she made in this life. Love and comfort to all her family 🙏
