“ *Dear Sandra, Molly and to all your family; I and my parents (your Aunt Avis and Uncle Ken), want to send you love and prayers at this very difficult time. We loved Aunt Georgette and she will be greatly missed. Mom wanted me to pass on to you how special your mother was to her as a sister and that they had a lot in common. They always had their hair done and of course, their make-up. (They were quite the stylish duo!) And your parents and mine would go out together and always have a good time. They would even make trips to Nebraska to see us. I pray that as time goes by, that the good memories will continue to sustain you. Know that you are loved and that many prayers are being said for you and yours. May God bless you and comfort you all!*

All our love,

Your cousin, Beth and your Aunt Avis and Uncle Ken Schenk
