“ *There is a special place in all of our hearts for our Mothers, just like there is always a special place in a Mother's heart for her children. You must continue to carry your Mother's memory in the special place in your heart. I am sincerely sorry for the loss of your Mother. I'll be thinking about you in the coming days and saying a prayer for you.*

With deepest sympathy,

“ Ellen was such a nice women I cared about her dearly. Delon and I basically went to chocolate together from Kindergarten until we graduated. With the exception of that one year they moved to Greenville. Gearl and Ellen was one of the class parents for the class of 1981. We had a great time! Her and Gearl are truly missed.
