“ I met Leigha when she was about 15. Her Dad was our Air Force sponsor when we were assigned to Altus Air Force base in 82. Her dad and my husband became good friends. When we left Altus in 85 we stayed with the family for a few days before heading out. She and her sister Pam were sweet girls. What a happy reunion there was in heaven when she met her mom and dad again💕. Keeping her family in prayer.
