

Margaret Levena Tollison

September 17, 1940 - November 16, 2016

Who was Margie Tollison

She was the Queen of her family kingdom that she ruled with undying love and compassion. She started her journey at the grand age of 14 years old. She met and married her lifelong sweetheart, Doug Tollison, an old man of 17 years of age. He was the love of her life for 61 years! Together they raised a family of 5 children, 2 beautiful daughters and three rambunctious sons. Most of the time the only discipline needed was "The Look" from her Majesty, The Queen. Margie loved and nurtured her kids. She loved road trips where she would sing and tell stories to the kids. She continued this tradition with grandkids and great-grand kids. One of the last things she did was take one of her great-grandkids for a ride on her new trike. She had her oxygen hose flying in the wind and down the street they went. This was Margie, never too busy or too sick to give to her family. Margie especially loved Christmas and decorating. She collected Hallmark ornaments over 30 years, cumulating enough ornaments to decorate 4 trees for family and friends to enjoy. She loved fast cars, 3 wheelers, oil painting, cake decorating and living life with her family. She loved animals, often called "Ellie Mae" from the show Beverly's Hillbillies. Margie was a military wife, traveling the world with her family, making a home for her family where ever they may be. She is the one who held everyone and everything together. This was Margie, always willing to give her all and never expecting anything in return, but valued unconditional love. Margie was born on September 17, 1940 in Hobart, Oklahoma to Leslie and

Beulah Gilbert. She was preceded in death by her parents, her sister Ruby and a brother Dan.

Margie is survived by her husband Doug, children Levena (Michael), Joe (Josie), Deanna (Chris), David (Joanne), and Les (Pennie), thirteen grandchildren; Chelsea, Stephanie, Shannon, Josh, Leah, Ashley, Douglas, Melissa, Cody, Billy and Heather. Margie also leaves a legacy of over 40 great-grandchildren and a host of other relatives and friends.

“ Dear Marge welcomed me into her family with open arms and never let me go. I've always looked up to her and will cherish every bit of motherly advice she gave. We sunbathed together on many occasions including once when I was very pregnant. She assured me my baby was not getting sunburned though. I loved her dearly and will miss her beautiful smile and gracious heart.
