“ *I'm deeply sorry to hear of Margarett's passing. She was a sweet lady and a hard worker, who I met decades ago at "the Old Lodge" at Quartz Mountain State Park.*

In later years, when we bumped into one another she was always thrilled to share updates on her grand babies. Family was so very important to her.

To Margarett's friends and family: It is often hard to find the right words at a time like this. May you find peace, comfort, and all the love you need in the days to come.

*With deepest sympathies,
Sue Hokanson*

“ I spoke with my dear sweet friend on Thursday and ask her when she was going to escape from there and she laughed and said don't know they haven't told me and then Jesus called her home two days later 🙏

She was so proud of her family and there was nothing she wouldn't do for any of them and she loved them with all her heart.

Rest in peace my dear friend!

My thoughts and prayers to you all 🙏
