“ *mark was one of the most amazing people i ever met at times when i struggled and thought there was nothing else more for me ..he would come up and comfort me with positive words and wisdom. i was a 18 year old boy a fresh adult and i know deep inside that god put him in my life and I will forever remember the memories that I was able to have with him. and nobody could replace him. not any other mark could. he taught me how to drive and he also taught me the aspects of life and to learn it also .we went thru hard times and good times but i knew one thing and that was not to take life for granted but to respect it and make it the best you can day by day basis. he was loved and understanding and he always had a ear to listen. You changed my life and now i look at life in a different way than what i thought of. thank you mark you will be forever cherished in my life*

“ I have known Mark for many, many years. I was shocked to hear he had passed away. I just seen him a couple of weeks ago at Wal-Mart and as usual he always had time to stop and talk for a few minutes. Our thoughts and prayers go out to the family.

“ The Mark Baden I knew and remember will always be known as "Markie". He was such a sweet and cute kid. I was a couple of years older but in Roosevelt we All knew each other. I hadn't seen him but a few times in the years since high school but always enjoyed visiting with him.  
I send sincere condolences to his family and friends. May he be at peace.

“ We got to know each other very well. I often talked and visited with him while working at Wal-Mart. He taught me that the world was a different place, and it could be that way again. He built me up when I was feeling down, and always came to my aid. I knew him as a good man, and when he needed me, I tried to be there for him. I know we spent July 4th of 2013 together drinking some wine and having a cigar. I got to know him, and I'm truly sorry, to see him pass away. I'm jsut sorry I could not be there, in his last days.

“ *I will always remember my last long visit with him at the Snack Bar at Wal-Mart. I will always remember him on his Honda 50 buzzing to Roosevelt for his 4-H Meetings. I will always remember him in his 1964 Chevy with tachometer on the dash. I will always remember him.*

“ *Mark and I was talking a couple weeks ago and he was telling me his issues and as I gave my words of wisdom we both was laughing at ourselves and he told me he loved me. That was the last time I talked to him but I am so glad we both slowed down enough that day just to talk and catch up , I will truly miss him!*
