“ *To the Hamm family, my sincere condolences to you for the earthly loss of Mr. Max. He was my landlord and friend for many years. He was always kind, and compassionate, and had a smile like no other. He will truly be missed. This was a shock to me. May God minister to you all in ways that He alone know how to do. Earthly loss is Heaven's gain.*

“ I was shocked to see Max's obituary in today's Lawton Constitution. Max was a client and friend. He always had a smile and was ready to tell a story or crack a joke. All who knew Max will miss the light that he sent forth. He enriched others and he will always be in our memories.
