“ I first met Meda in the mid 60's along with her ultimate Legacy, her children. I attended Cooperton School with Carol and graduated Salutatorian right behind Carol as Valedictorian. I will never forget going to the "Old" Hobart Hospital after she had given birth to Allison and marveling at how so ready she was to go home. She was the bright shining star in whatever room she was in. I remember going by her home one Saturday and she had Sharon, Carol, and Donna sweeping and cleaning away. They were going to get to go swimming after completing their chores. She went on to have 6 wonderful kids that have now gone on to be wonderful parents and grandparents themselves. She was a pillar to the Cooperton Community along with several other women who had all moved to Cooperton to be wives to local farmers. Meda had special grit to meet these special challenges and I will always remember her and respect her for accomplishing so much. I will miss her, but I see her in every child, in every grandchild, and one day soon I will reunite with her in Heaven. My heart goes out to the family and I mourn with you.
