“ *"Aunt Bell" was very special to my family. She was my next door neighbor and loved and periodically cared for my son when he was a baby and little boy. My son Taylor remembers Aunt Bell fondly - especially for her tea and cupcakes! I loved Aunt Bell, and she always talked about how lucky God blessed her with two wonderful, loving husbands. Family always meant a lot to her, and Aunt Bell shared with me some happy and memorable life stories while sitting on my porch watching Taylor play. Aunt Bell became part of my Oklahoma family, and I will always cherish those memories. I know she is at peace in heaven and will keep watching over all of us...*
