“ *I knew Mildred since grade school. worked with her in the Bank;
At that time we roomed together because Lone Wolf had no
apartments.
only rooms for rent.. After I moved from LoneWolf in 1951, lost track
of her
and have thought of her so many times. There are very few of us
left at this age .
We have stayed active all these years and guess that is our secret
for our
many years on this Earth.. Prayers to her remaining family. God
Bless All.*
