I love and miss you Mom, I wish we could've spent more time together while you were here, I deeply regret that I didn't make more time for you. You've always been a great person with an even greater heart.

Hi, Myrna! How is it up there? Please say hello to Ima, Tatang, Atching Nel, Kong Dick, Kong Yong, Kong Erasmo, Edrolin. I am sure you are all happy to have a family reunion, well, without us still in this material world, maybe next time (you wish).

Before I flew in to Hawaii to stay with you and Darrell, I sent a letter to Darrell how you were able to catch him, maybe you used a witch's concoction? He was hilarious.

I had a great time in Hawaii and Darrell was accommodating.

I'm glad you met Darrell while doing your door to door Avon sales. Who could have thought that he made a liking (kilig) to you. Well I'm glad he made the right decision right at that time, if not, where would Patrick, Chris and Richard be now?

Anyway, PEACE be with you, my sister. Give my love to all you meet up there
